

AI in Practice

A Day in the Life of a Criminal Lawyer

**See how AI supports a criminal lawyer
at every stage of practice.**

From urgent client queries and trial prep to sentencing advice, legal research and case analysis, discover how LexisNexis AI delivers secure, authoritative tools that save time, strengthen arguments, and improve client communication.

THIS SESSION ISN'T A PRODUCT PITCH — it's a practical look at real scenarios, with live demonstrations of trusted AI solutions for the Criminal Bar.
