

Dear Colleagues

This is a reminder about our planned industrial action from **12 to 17 January 2026, inclusive**.

To date, there seems to be an encouraging level of support, for which I'm very grateful.

However, I understand that some of you have made yourselves available during that period, either by mistake or because you did not respond to the roster team in time. If this is you, please don't worry, as you can still advise that you are unavailable, either now or closer to the time. This is quite ok.

If you are aware of any new duty lawyers who did not receive my original email of 30/9/25, please talk with them and/or invite them to contact me on [dansleynz@gmail.com](mailto:dansleynz@gmail.com)

Warm regards

Dennis Ansley
